Guidance

Industry related and Parameter related comments

- ▣ Industries related
 - Only a few
 - Mostly clarification-seeking comments/questions
- ▣ Parameters related
 - Some we were able to change (for example, Cl for Fish processing)
 - Some we weren't able to change (for example, methane)
- ▣ General respond 2

Value related and wording related comments

- ▣ Value related
 - A few changes made
 - General respond 1
- ▣ Wording
 - Accommodate almost all suggestion.
 - Those that we didn't, are explained individually

THANK YOU !

Comparison of Parameters (mg/L)

	BOD	COD
General	30	125
Board & Particle based product	50	150
Mammalian Livestock Production	50	250
Breweries	25	125
Pharmaceuticals and Biotechnology	30	150
Petroleum-based Polymers		
Manufacturing	25	150
Textiles Manufacturing	30	160
Base Metal Smelting and Refining	NA	50
Malaysia	80	150
Laos	40	NA
Indonesia	50 , 150	100 , 300
